

Hello deZavala Families,

I would like to encourage your child to participate in the Amarillo Public Library Summer Reading Program. When your student enrolled in an AISD school, they were issued a library card that also works with the Amarillo Public Libraries. If you have misplaced the card, please send \$1 to school for another card. You may have them turn in the form on the opposite page by May 23rd, or simply go by any branch of the APL to sign up. There are also electronic book options on our school library website using the cloudLibrary app. Be on the lookout for a few open dates for our own LDZ library and Woodlands library to be open.

Thanks and Happy Reading,

Kelli Smith

AMARILLO READS in the Summer

Summer Reading Club Kicks Off June 1 with activities for kids, teens, and adults!

1) FUN STUFF AT THE LIBRARY:

We'll have fun, free activities every week for adults, teens, and kids and families! Check out the schedule online, or pick up a complete calendar of events when you register in person. This year's theme is LIBRARIES ROCK! Get ready for programs about music, science, and other general awesomeness!

2) READ BOOKS, GET PRIZES:

Stop by any Amarillo Public Library location to sign up. Then read at least 15 minutes every day and earn a prize for every 10 days you read – up to 3 prizes. AMARILLO READS in the Summer officially ends on July 15, so you have 45 days in which to complete your 30 days of reading. The final prize for kids is a brand new book! The final prize for adults is a voucher for a free bag of books at the Friends of the Amarillo Public Library Book Sale! Teens can choose their prize! Readers of all ages may sign up at any one of our five libraries beginning Friday, June 1, and prizes may be collected through July 31. Watch for more information on our website at www.amarillolibrary.org or like us on Facebook!
