

Click on Library Calendar

Click on the Gadget

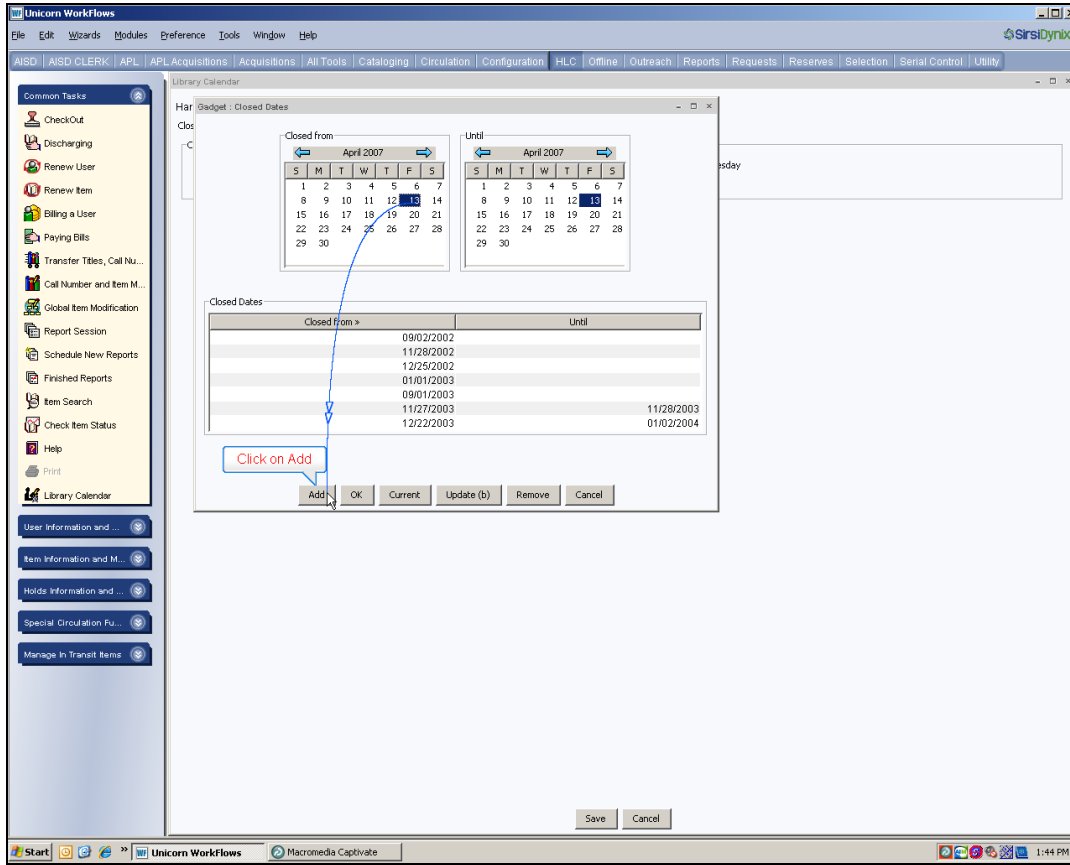

Select the date or dates to be closed

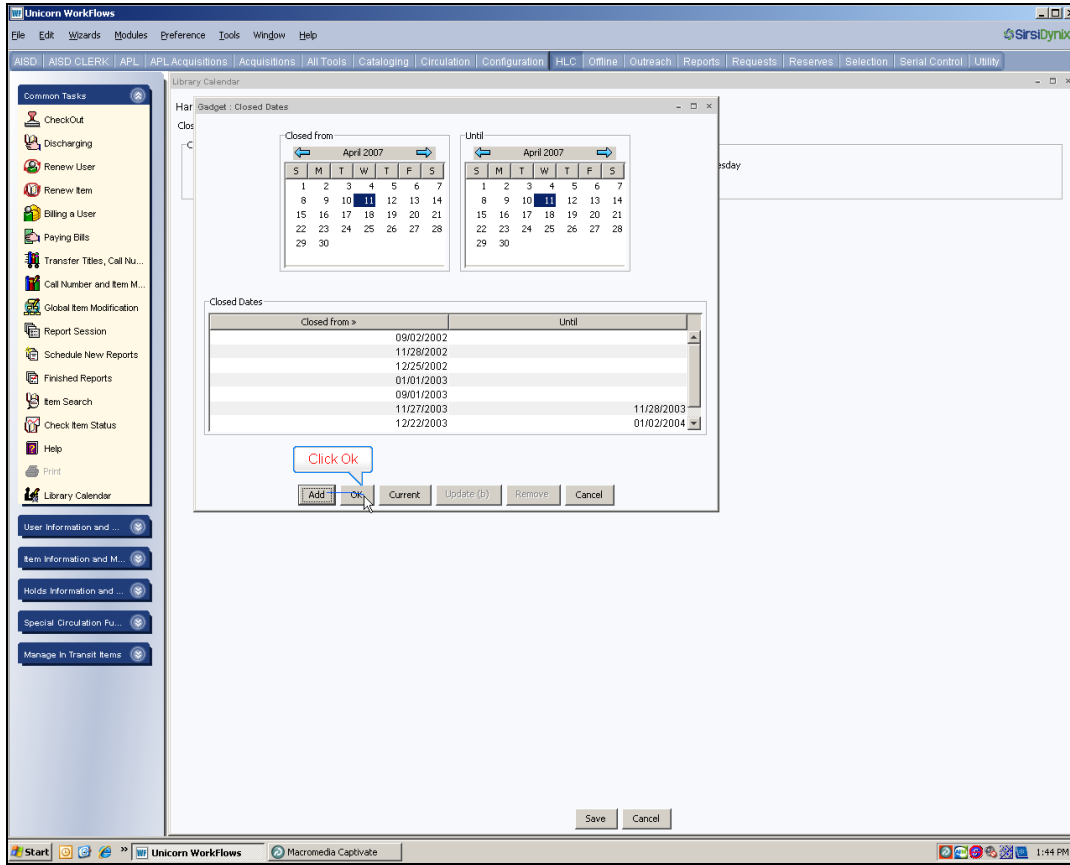

The screenshot shows the Unicorn Workflows application interface. A 'Library Calendar' window is open, displaying a 'Gadget: Closed Dates' dialog box. The dialog box features two calendar views for April 2007, one labeled 'Closed from' and one labeled 'Until'. Below the calendars is a table of 'Closed Dates' with the following data:

Closed from >	Until
09/02/2002	
11/28/2002	
12/25/2002	
01/01/2003	
09/01/2003	
11/27/2003	11/28/2003
12/22/2003	01/02/2004

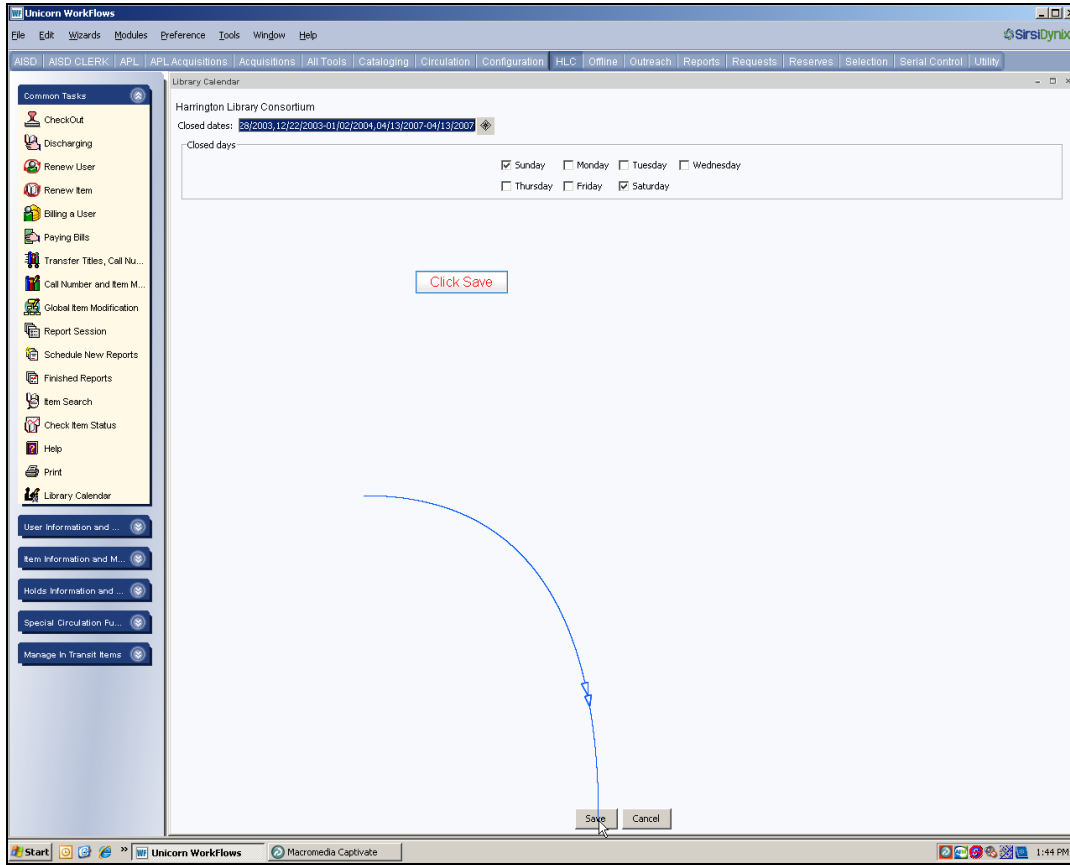

At the bottom of the dialog box are buttons for 'Add', 'OK', 'Current', 'Update (b)', 'Remove', and 'Cancel'. The main application window has a menu bar with options like 'File', 'Edit', 'Wizards', 'Modules', 'Preference', 'Tools', 'Window', and 'Help'. A sidebar on the left contains 'Common Tasks' such as 'CheckOut', 'Discharging', 'Renew User', 'Renew Item', 'Billing a User', 'Paying Bills', 'Transfer Titles, Call Nu...', 'Call Number and Item M...', 'Global Item Modification', 'Report Session', 'Schedule New Reports', 'Finished Reports', 'Item Search', 'Check Item Status', 'Help', and 'Print'. The Windows taskbar at the bottom shows the Start button, 'Unicorn Workflows', 'Macromedia Captivate', and the system clock at 1:44 PM.
