## Benefits Provided to HLC Full Members 2015/2016

### **Sirsi Dynix Symphony (ILS)**

HLC currently licenses Sirsi Dynix Symphony for member libraries (full members may participate in the shared integrated library system (ILS) or may only access other HLC services). Training, helpdesk, technical support, are all included as part of yearly membership fee based on the number of user names appropriate for each library. Start up cost is based on a vendor negotiated price; retrospective conversion is included in the startup cost. Patrons that have an HLC member library card may check out materials at any other HLC member library.

Includes: BookMyne+, Social Library, eResource Central, Enterprise, Portfolio, Book Jackets.

Flat fee cataloging services are available based on size of library and anticipated acquisitions per year. Consulting with materials vendors on set up and importing of catalog records is provided at no charge.

### **Website Hosting and Maintenance**

### **3M Cloud eBooks**

Downloadable eBooks are available to all HLC cardholders. Web-based service enables the secure distribution of eBooks. Media will play on your PC, laptop and portable devices. Available by remote access using an HLC card.

### **Britannica**

Britannica Public Libraries Online gives your library titles in one—an adult general reference collection and a child-friendly collection. Choose the age-appropriate level that works best for them, and you will find it easy to conduct research, complete homework assignments, and work on special projects. You can even store your research in your own personal Workspace account.

Three user-friendly interfaces—Elementary, Middle, and High—make it easy to select the portal appropriate to each student's reading, grade, and age level.

A Complete Research Tool. Start with the encyclopedia. Move on to the atlas, biographies, e-books, news, multimedia, and more.

The Britannica Encyclopedia Moderna covers all fields of knowledge, including arts, geography, philosophy, science, sports, and much more. Users will enjoy a quick reference of 24,000 entries and 2.5 million words. More than 4,800 images, graphs, and tables further enlighten students and clarify subject matter. The simple A-Z organization and clear descriptions will appeal to both Spanish speakers and students of Spanish.

Enrich the learning of elementary students with the virtual environment of *Britannica Escolar Online* featuring interactive games, articles, videos, multimedia, maps and much more!
