

Checkout/Read E-Books and E-Audiobooks on iPad/Chromebook/Android devices

Click on the 3M app

You will receive a list on the left hand side that looks like this;

Featured

Browse

My Books

Filters

Settings

About

Featured – allows you to browse the collection by shelves

Browse – allows you to browse by categories

My Books – where you will read, listen to and checkin items

Filters – allows you to limit your lists by Formats (E-Books or Audiobooks) and View: (All Titles, Available Now, or Suggestions for Library).

Settings – this is where you set how to download over the internet.

About – gives you information about 3M and how to contact Library Support

At the top of the right hand side you have a search icon  allows you to search for a title or author.

Once you find a book you want to checkout, click on the Title, click on Borrow, this will put it in your “My Books”. If the title is not available for checkout you can place a hold on the title by clicking “Place Hold” when prompted.

To return items click on My Books, In the uper right corner click on Return Books, then click on the Red “Return” icon, answer Yes.
