AISD Professional Library

ADVISORY COMMITTEES

FINANCIAL ADVISORY COMMITTEE is composed of the chief financial officers of the member institutions and the Amarillo Independent School District for the purpose of the review and adoption of fiscal policy.

Debbie Reid, Chair

Director of Finance, City of Amarillo

Chris Sharp

Vice President of Business Affairs

Amarillo College

Pati Buchaneu

Executive Director, Finance and Budget

Amarillo Independent School District

TECHNICAL ADVISORY COMMITTEE is composed of members appointed by Council for the purpose of reviewing issues related to the technical operation of the system.

Jeff Roller, Director of Technology

Amarillo Independent School District

Rich Gagnon, Director of IT

City of Amarillo

HARRINGTON USERS GROUP

Includes participation from all sites.

OPERATIONS GROUP

The Operations Group is composed of the middle management personnel of the member institutions, the staff of Central Site, and an elected representative of the Harrington User Group. The Operations Group identifies any problems with the automated software and other technical operating systems, works with Central Site in resolving problems that can be corrected locally, and tests each software upgrade before it is released for general use.

Troyce Wilson, IT Analyst

Sally Bohlar, Lovett Memorial, McLean

Emily Gilbert Amarillo College

Catherine Urban, Amarillo Public Library

TASK FORCES

Formed in July 1981, each task force is composed of a minimum of one staff member from each member institution. These staff members are the ones responsible for and closest to the actual daily operations of their respective areas. The task force identifies any problems with automated software and other technical operating systems, works with the Operations Group to resolve any problem that can be corrected locally, compiles changes that they think necessary to improve the usefulness of the automated software and other technical operating systems, draft standards for Council consideration.
